Letters From the People

AN EXPLANATION.

Editor Advertiser:—Your paper first and one of your evening contemporaries afterwards having published, during the past week, certain articles giving another jolt to the interests of local liquor dealers, who have already come in for a good measure of abuse lately, and making charges about the sale of adulterated goods of so sweeping a nature that they reflect upon that body collectively, I crave permission to state that I pride myself upon having always been above such mean "tricks of the trade," and that I challenge anybody, whether inspectors or not, to enter my place of business and to carry away such samples as they wish for chemical analysis. And while, of course, I can only speak and answer for myself, individually, yet what I say will apply with equal force to all respectable saloonkeepers as a body. It has become the fashion to discredit the men who have their all invested in this business, and not to raise a single voice in protest against injustice and inequity would be a betrayal of weakness that would engender an unreasonable feeling of distrust and prejudice among the public at large. The names of the vendors or alleged vendors of "imitation whisky" should be published, and the offenders brought to book at once, so that innocent men may have removed from them the stigma under which they are now made to suffer.

Thanking you in anticipation for the insertion of the above, I am, etc.,
P. F. RYAN,
President, Retail Liquor Dealers' Association of Honolulu.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Honolulu Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. We kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here is the best of proof:

Zed Rosendorf, merchant, Main St., Independence, Ore., says: "For ten years I was troubled by attacks of kidney complaint and finally became so bad off that I was forced to walk in a stooped position. My kidneys were disordered and on account of too frequent passages of the secretions, I was obliged to arise during the night. Often I had to sit up, being unable to lie comfortably in any position. My limbs became swollen and there was a puffiness beneath my eyes. I doctored and tried everything that was brought to my notice, but received no relief until I began using Doan's Backache Kidney Pills. They helped me from the first and I am today free from kidney complaint. I believe there is nothing as effective as Doan's Backache Kidney Pills in curing this trouble."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.

FOR A LAME BACK.

When you have pains or lameness in the back bathe the parts with Chamberlain's Pain Balm twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain. For sale by all dealers, Benson, Smith & Co., Ltd., agents for Hawaii.
